

DUTCH PRIME

About Us

Dutch prime is under the helm of a private equity group. We are looking forward to expanding our business in other Southeast Asia region. The countries we are targeting in next few years will be Indonesia, Malaysia, Thailand, Korea, Philippines, Myanmar, Vietnam and Japan. DP is holding an off shore license in Saint Vincent to run our business. We are in the process of getting many other licences as well to further increase our commitment to our clients. The security of our client's fund is our top priority. Our clients fund is segregated to another bank account just for trading purposes. We are committed into giving our clients the best trading environment and we strive to provide the best trading environment and we strive to provide the best education available for our clients to perform better in trading.
